Reminder to put an "X" on the **incorrect** bubble and sign your initials **if you made a mistake**

3. If the majority community wanted a gazebo (over a pavilion) if grant money was received, would you instead prefer to place this on the empty ¾ "Pond Lot" at ~7852 Golden Pine dubbing it the "adult" common area with, for example, a little walkway, a picnic table within the gazebo overlooking the pond behind Angel Court? Could keep the tot lot for the tots? (NOTE - we would of course still leave the easement, ~8 feet in length, in place on the north side of it for the county to be able to service the north pond.)

In Favor

(you prefer gazebo on "Pond Lot" ~7952 Golden Pine's - if we had to)

Opposed

(you prefer gazebo on Tot Lot - if community had to have one)

Why not both?

(you love gazebos / would like it in both places)
