Hello,

I just wanted to inform you that our HOA has decided to go with another vendor for our landscaping needs for 2025. We will retain your quote and contact information and will reach out though should they not sign the contract, should it be voided, or whenever we open up our business again for bids. Thank you again for applying :)

Thank you so much! Just to confirm \$97 would be for all the 4 areas together:

1. **"Entrance"** as defined as the 360 sq. ft area at approx. 1424 Severn Rd.
2. **"Pond Lot"** as defined as the ~5100 sq. ft. area at approximately 7852 Golden Pine Ct.
3. **"Tot Lot"** as defined as the ~5850 sq. ft. area at approximately 7999 Severn Tree Blvd
4. **"Embankment"** as defined as the ~5235 sq. ft. area at approx. 7918 Severn Tree Blvd

Have attached as a reminder a visualization of the areas; else they can also be seen at this [page on our website](#).

Hi [REDACTED]

Thank you so much! The only thing else I need now is your estimated cost you would charge per cut which be ~16 total cuts for the years. After that, I'll get back to you in a few days with our decision.
